6. Public Observation Deck

The observation deck of Wan Chai Ferry Pier will be temporarily closed from about 12 noon until the Wan Chai Ferry Pier is re-opened for public use.

7. Cross-boundary Coach Services

(a) Cross-boundary Coach Stop Arrangements

HONG KONG ISLAND

The terminus of the short-haul cross-boundary coach service plying between Wan Chai and Huanggang Port at the Exhibition Centre Station Public Transport Interchange will be suspended from about 4.30 pm on 30 January 2025 onwards until the road closure is lifted. During the suspension of Exhibition Centre Station Public Transport Interchange, a temporary terminus will be provided at 138 Hennessy Road (i.e. Hennessy Road westbound near Southorn Centre).

KOWLOON

The short-haul cross-boundary coach service plying between Jordan and Huanggang Port will add a temporary pick-up point at the coach pick-up and drop-off area at Wui Man Road outside Hong Kong West Kowloon Station from 8 pm to 11 pm on 30 January 2025. The en-route stop of this service at China Ferry Terminal Public Transport Interchange will be also suspended from about 7 pm.

Apart from the above short-haul cross-boundary coach service, temporary bus stop arrangements and service adjustments may be implemented for other cross-boundary coach services in connection with the road closure arrangements. Members of the public can enquire about the details from relevant cross-boundary coach operators.

(b) Service Enhancements

Short-haul cross-boundary coach services plying between Huanggang Port and major points in urban areas (such as Jordan, Prince Edward and Wan Chai etc.) and the cross-boundary coach services plying between Shenzhen Bay Port and major points in urban areas will be enhanced subject to passenger demand.

Members of the public can enquire about the details from relevant cross-boundary coach operators.

8. Central to Mid-Levels Escalator and Walkway System Services

The service of Central to Mid-Levels Escalator and Walkway System will be extended to 2 am on 31 January 2025.

III. Removal of Illegally Parked Vehicles

Motorists are advised that strict enforcement will be taken by the Police. Any vehicles found illegally parked within the precincts of the special traffic arrangements specified above will be towed away or ticketed by the Police without prior notice.

IV. Attention and Appeal

Appropriate traffic signs will be erected to guide motorists. Notices will also be displayed by public transport operators to advise passengers of the above temporary public transport arrangements. Adjustment of the above road closures and traffic diversions, or other ad-hoc traffic and public transport measures, including further closures of roads, traffic diversions, alterations and suspension of public transport services, will be implemented by the Police depending on the crowd and traffic condition in the areas.

Due to extensive road closure in the affected areas, the Transport Department anticipates that the traffic along Hong Kong Island North (including Causeway Bay, Wan Chai, Admiralty, Central and the Island Eastern Corridor), the vicinities of Tsim Sha Tsui and West Kowloon Cultural District in Kowloon, and Cross Harbour Tunnel as well as Aberdeen Tunnel will become significantly congested.

Members of the public who intend to go to the affected areas are advised to use public transport services as far as possible, plan their journey early and allow more traveling time to cater for unexpected delays. Bus, green minibus and cross-boundary coach passengers are also advised to pay attention to the route diversions and temporary stop arrangements.

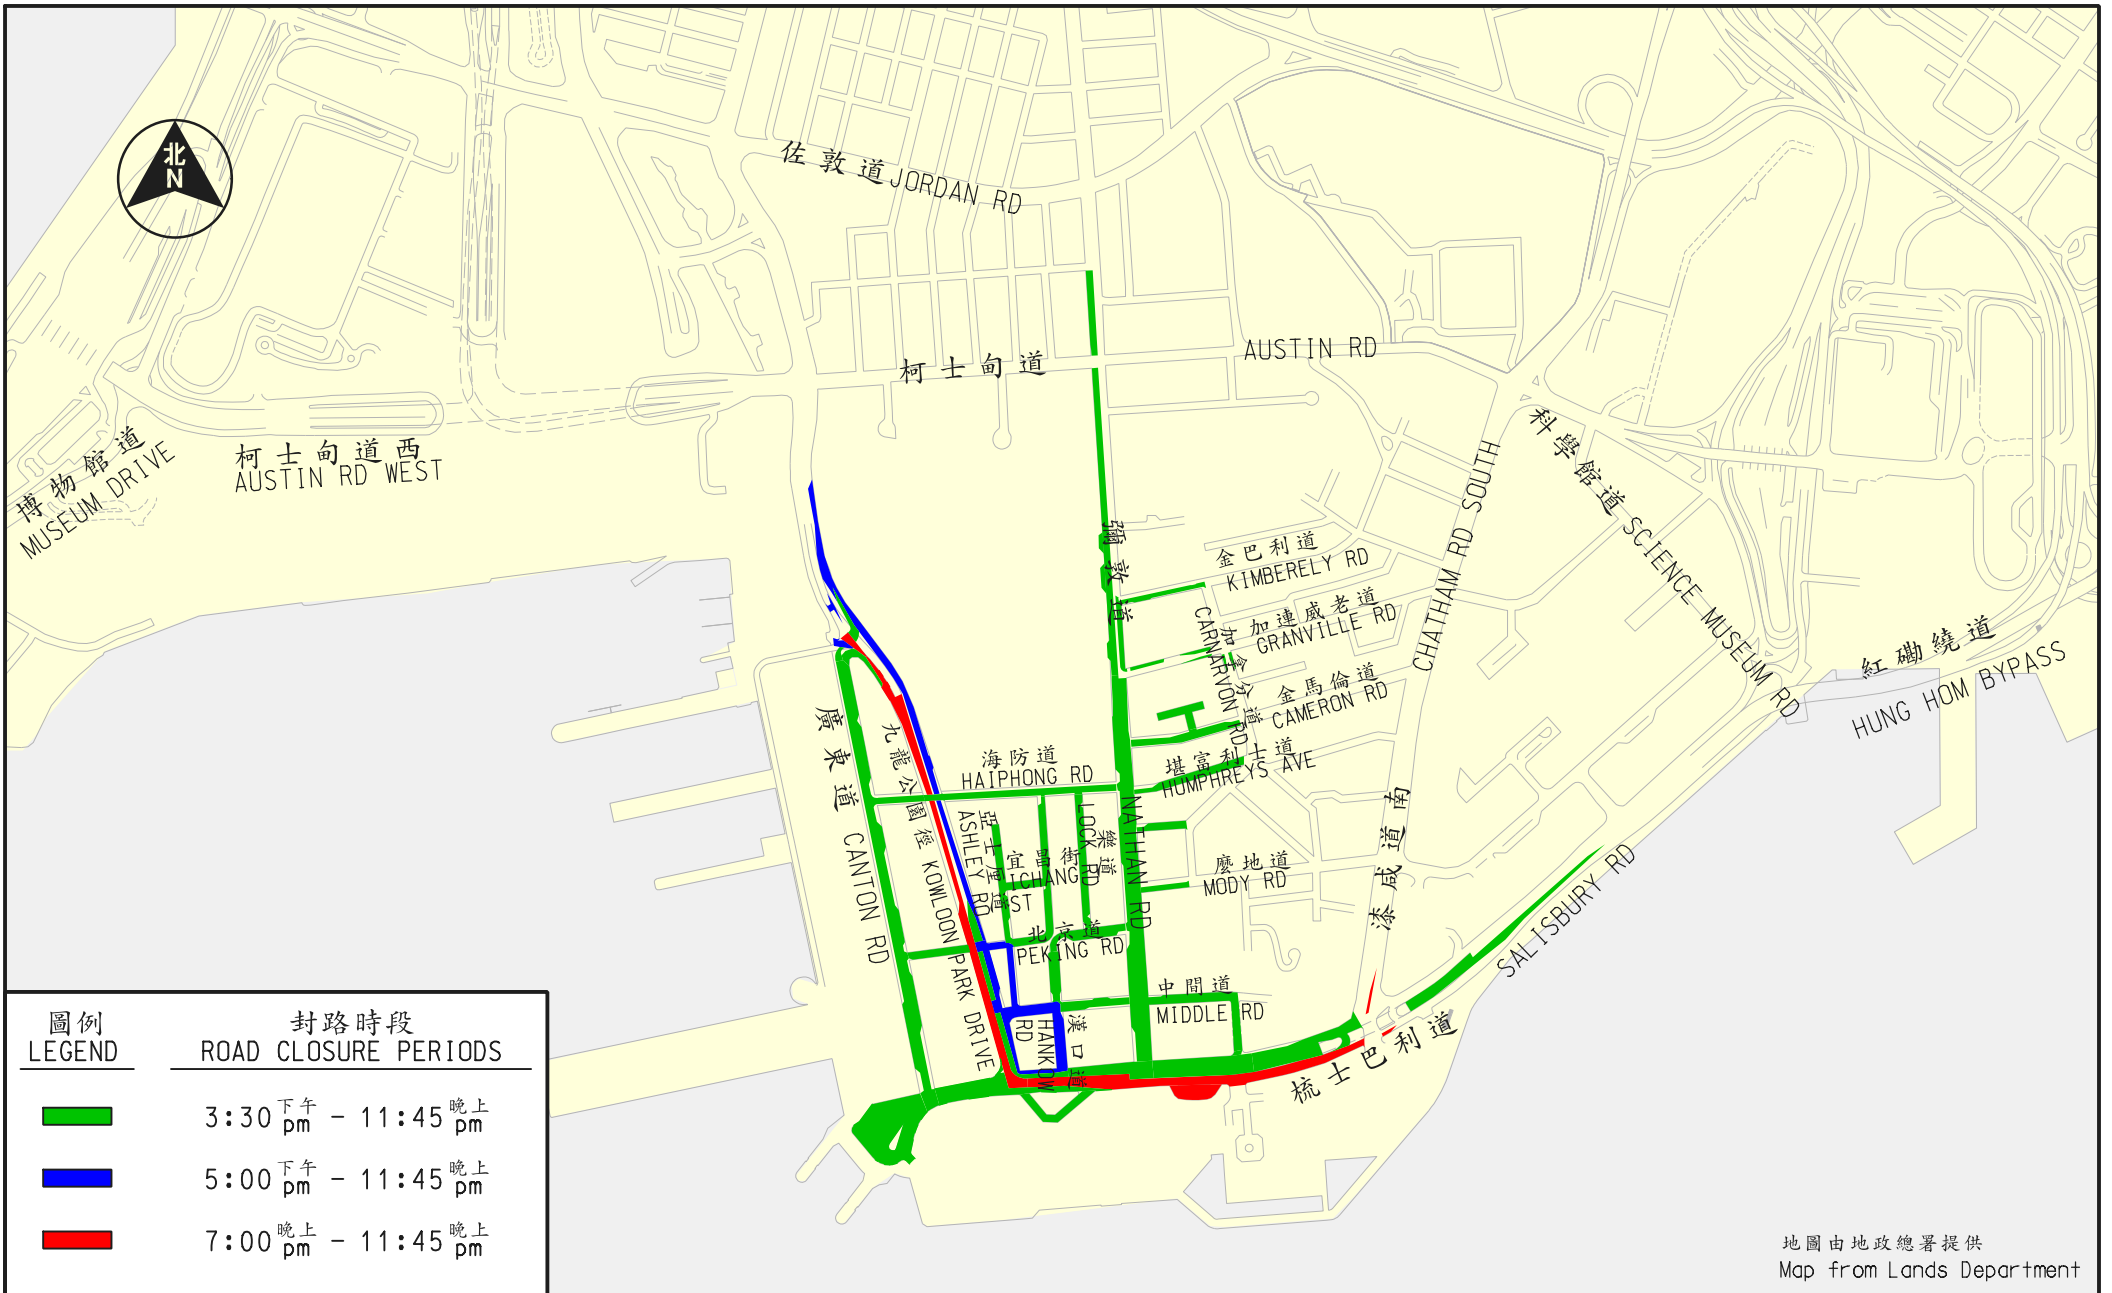

Members of the public are advised to watch out for the latest traffic news through radio and television broadcasts. For the details of the special traffic and transport arrangements, members of the public may visit the TD's website (www.td.gov.hk) or mobile application "HKEMobility". Passengers may also refer to the passenger notices displayed by the relevant public transport operators.

V. **Special Appeal of Special Boundary-crossing Arrangements and Associated Public Transport Services**

The Transport Department anticipates that there may be a number of cross-boundary passengers using public transport services to travel via the land boundary control points during Lunar New Year's Eve and Lunar New Year Holidays. As the waiting time for public transport services may be longer, passengers should observe order and heed advice from the on-site Police and staff of the concerned public transport service operators. Cross-boundary coach passengers are also advised to plan their journeys and reserve coach tickets ahead.

During the mentioned period, there may be special traffic arrangements implemented for Lok Ma Chau Control Point and Shenzhen Bay Port to facilitate public transport vehicles to enter the control point more smoothly.
