F. Attention and Appeals

Appropriate traffic signs will be erected to guide motorists. The public transport operators will display notices to advise passengers of the above temporary arrangements. Actual implementation of and adjustments to road closures, traffic controls and public transport diversions will be made by the Police at the time depending on conditions in the areas.

The Transport Department anticipates that the traffic in the vicinities of Central district and Wan Chai North will be congested. Members of the public who plan to go to the affected areas are

advised to use public transport services as far as possible. Motorists are advised to avoid driving to the affected areas and should exercise tolerance and patience in case of traffic congestion, follow the instruction given by the Police, and watch out for the latest traffic news through the media.

For enquiries on special traffic and transport arrangements, members of the public can browse through TD website www.td.gov.hk or make use the “HKeMobility” mobile application of TD for more details.
