

**Take Care of People in Need    Offer Priority Seats  
(TV API)**

Kid:                I didn't see you.    I didn't see you ...

Office lady:    I am tired too ...

Man:              Maybe he didn't want a seat ...

Man( in suit): I'll be an elderly person too, sooner or later ...

MVO              Stop making excuses when you see people in need!

Don't occupy priority seats on public transport

Save the priority seats for those who need them

Take Care of People in Need - Offer Priority Seats

Super:            Take Care of People in Need

Offer Priority Seats
